

Ormsby's debuts...

Restaurateur *Warren Bruno* recently opened his latest venue, **Ormsby's**, flying under the radar in the White Provisions development on Atlanta's Westside. Like its sister venue **Atkins Park**, Ormsby's is a classic neighborhood tavern featuring a full bar with an extensive craft beer selection, classic cocktails and pub menu. Bruno has also included traditional games at the new pub including Backgammon, Bocce, Darts, Pool and Shuffleboard.

The pub fare features Snacks of Georgia peanuts (*boiled or roasted*), popcorn (*parmesan rosemary or Cajun spiced*), housemade pickles (*watermelon rind & green tomato, okra with onion, balsamic eggs*), hand cut fries and onion rings with a variety of dipping sauces.
