

ANTHROPOLOGIE GOING TO WESTSIDE

When we snapped **Room & Board** on the Midtown's **westside yesterday**, we were thinking about the **buzz** the national furniture chain generated when announcing it was going into White Provision on Howell Mill. Now, another national chain is joining R&B in this part of town. **Anthropologie**, which sells trendy Bohemian-inspired women's clothes and home accessories, has signed a **9K SF lease at Westside Urban Market**, also on Howell Mill. Anthropologie already has Atlanta stores in Lenox Square and Perimeter Mall.
