## Westside Provisions District & Atlanta Cotillion Wine Walk - Thursday, September 16

I imagine for some, west midtown seems like a rather dodgy place. The sidewalk outside of my office does indeed have many a nudie bar flyer and broken bottle on it. But this area is a super hot and is home to an increasing number of very hip restaurants and stylish shops. I for one could move into Room & Board quite happily and pretend I'm the kind of person who spends \$3000 on a chair (and yes, full of hope, I scanned the list of discounts below to see if I could somehow score a discounted Wegner Chair, but it was not to be...)

So check out this wine tasting event on Thursday night to check out all of the great things happening in this neck of the woods. Tickets are only available online through 2 pm tomorrow, so don't wait! Proceeds go to a great cause, too, so you can feel good about yourself as you throw back adult beverages and oggle the wares at all of these fab stores.
