DOTY DOES IT AGAIN

Chef/restaurateur **Shaun Doty** has always had a nose for sniffing out the right restaurant in the right space at the right time. Shaun's on Edgewood Ave. was a sensation since the day it opened and continues to be so. Now Doty is jumping on the boutique-burger bandwagon. Though the name is still in trademark review, Doty is already locked and loaded on the White Provision development in Westside for a spring debut.

Shaun Doty's burger with organic Dakota beef served on a brioche bun from Alon's.
