# THE *Petite* SPA RETREAT

① *Spa Sentio at White Provision* opened discreetly this year with one of the most stylized decors in town: a mod all-white setting that is part beauty lab/part white-cube gallery. And with a personal “concierge” to oversee all your treatments, custom nail polish drip art by Scott Ingram, rotating art works curated by Solomon Projects, elegant French bergères for the mani/pedi stations, professional makeup applications and sensual mind/body massages...we were instantly hooked.
