Details

Cost: 30.00 USD

Art Partners and Westside Provisions District (WSPD), will kick off the Artful Garden Tour with a garden party like no other in their urban-chic courtyard garden. Hors d'oeuvres will be provided by the many award-winning restaurants in the WSPD along with sparkling wine and guitarist to entertain. The party will spread onto the picturesque bridge that connects the two buildings. A silent auction with unique and varied offerings from local vendors will be a highlight of the evening.
